CLIENTS

Some of our great clients

Minecraft:

- “Virtuosity has become our strategic ally to enable scale, execution, and maturation of the platform behind Minecraft. We rely on their rare combination of game development experience, release management and DevOps, and strategic program leadership to shepherd all our critical development initiatives.”

- Partner, Minecraft -

Avalara:

- “Virtuosity continues to be our go-to strategic partner in maintaining and supporting our AEM platform. They helped us migrate from a legacy CMS system and have exceeded our expectations in helping us leverage our AEM platform to its fullest potential.”

- Director of Marketing Web Tech-

Microsoft Azure:

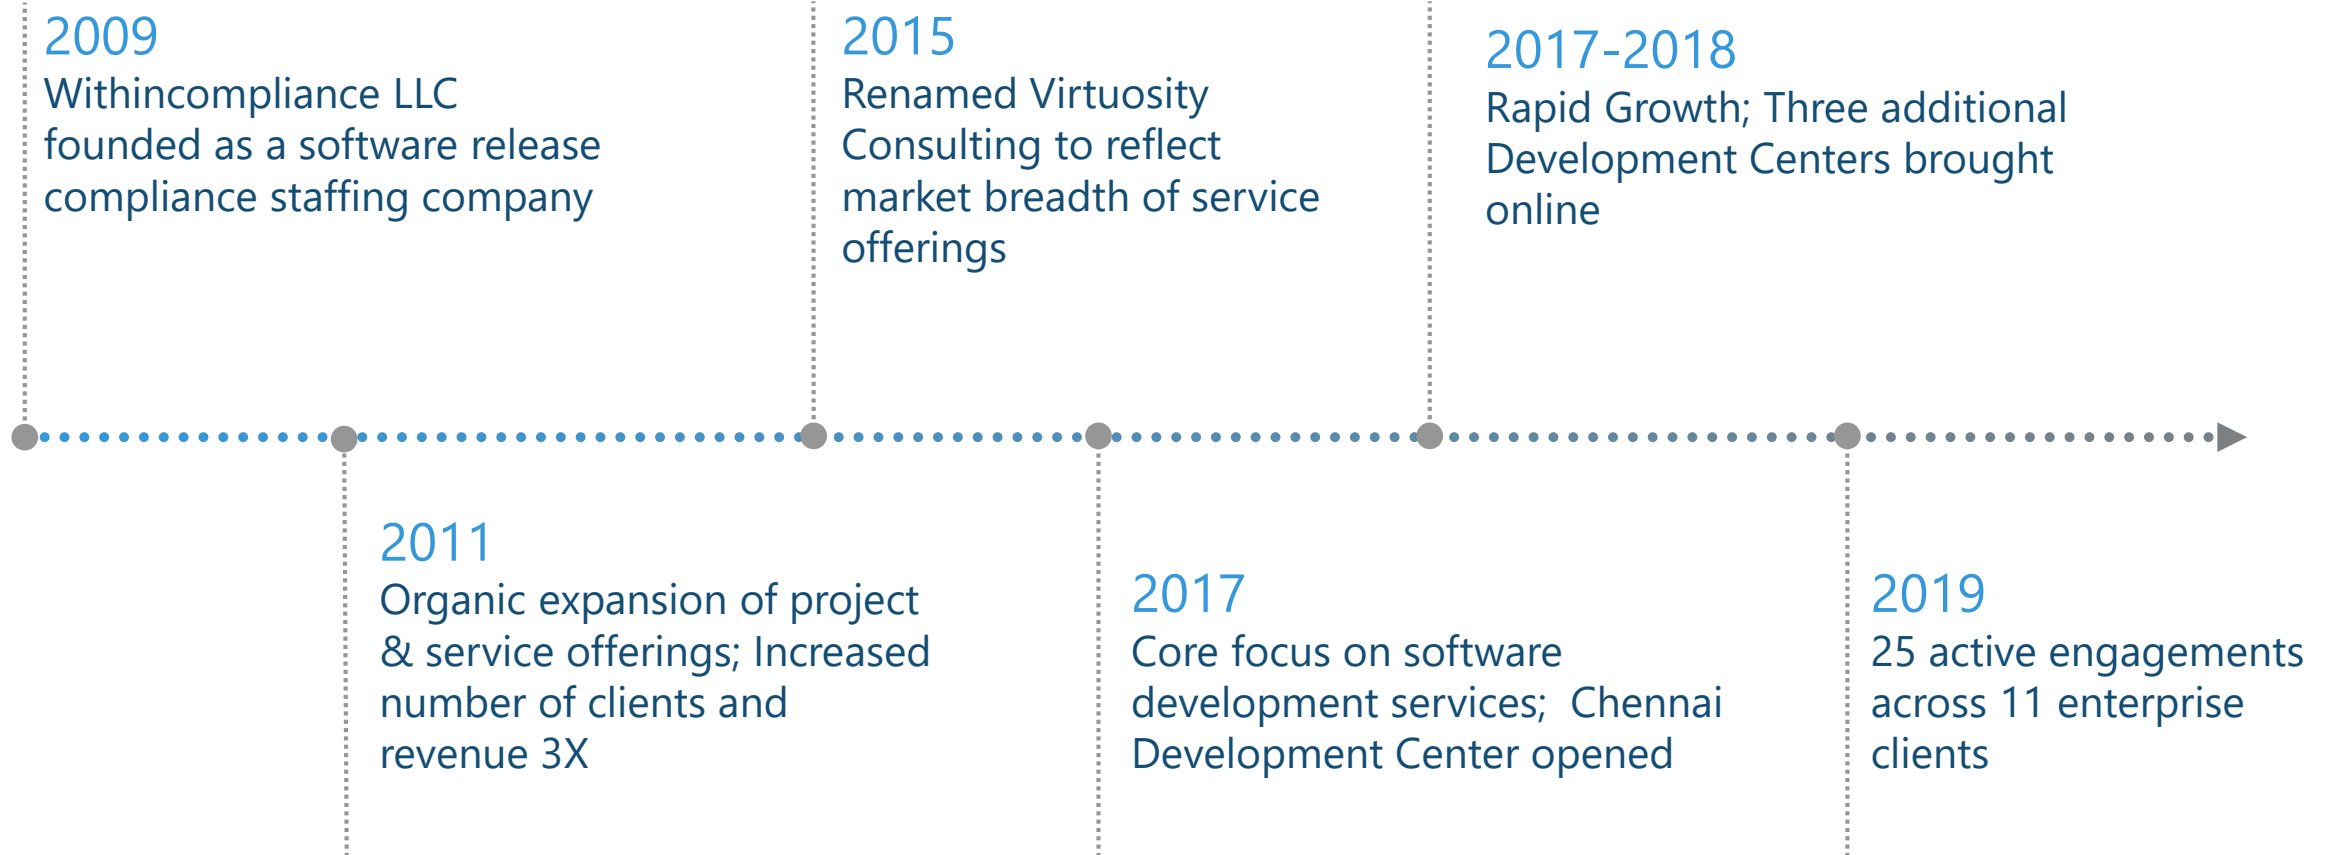

- “We trust and rely on Virtuosity to manage and evolve our release management processes across our entire portfolio. Their consistent quality, velocity, and programmatic approach is top notch and we view them as an extension of our team.”

- CVP, Azure Data -
